

Technical drawing of a mechanical part, showing two views: a front view (top) and a side view (bottom).

**Front View (Top):**

- Overall width: 20000
- Overall height: 2500
- Radius of the semi-circular profile: 6000
- Internal features: A semi-circular profile with a radius of 6000, a width of 20000, and a height of 2500. The drawing includes dimension lines and labels for various features.

**Side View (Bottom):**

- Overall width: 20000
- Overall height: 2500
- Radius of the semi-circular profile: 6000
- Internal features: A semi-circular profile with a radius of 6000, a width of 20000, and a height of 2500. The drawing includes dimension lines and labels for various features.

Technical drawing of a rectangular structure with dimensions and tolerances. The overall width is 18000, divided into three sections of 5950, 2950, and 5950. The overall height is 6000, divided into two sections of 5000 and 1000. Tolerances are specified as ±50 for the width sections and ±5 for the height sections. A central vertical line is labeled 'min 500 max 1000'.
